## **Veterans National Memorial Shrine & Museum Now Hosting Support Groups for Veterans & Spouses**

Fort Wayne, In August 26, The Veterans National Memorial Shrine & Museum in Fort Wayne has announced scheduling for Support Groups for Veterans and Veteran's spouses.

According to Tim Schild coordinator of the sessions, "They are being held so no veteran will be forgotten. The support groups are open to any Veteran of any era and provide a safe environment for Veterans to discuss their concerns and experiences with other Veterans."

The Veterans support groups are being held every Monday and Thursday evenings from 5 pm to 6:30 pm at the Veterans National Memorial Shrine and Museum 2122 O'Day Road in Fort Wayne. Schild added "In addition to the Veteran support we will also be offering a monthly support group to family members of Veterans, which is hosted by a Veteran and his spouse. These sessions will be held the first Saturday of the month from 11 am to 12:30 pm. This will give Veteran spouses (and other family members) an opportunity to connect with other spouses and ask questions and receive support."
